Abrdn Internship Summer Opportunities For Graduate Students 2025

Description

The Abrdn Internship Program offers a dynamic and engaging opportunity for students and recent graduates to gain hands-on experience in the financial services industry. As an intern, you will join a team of professionals dedicated to delivering exceptional investment solutions and services. This program is designed to provide real-world exposure to the inner workings of a leading global investment company, fostering both personal and professional growth.

Responsibilities

- Collaborate with various departments to support investment management and operational projects.
- Conduct market research and analysis to assist in decision-making processes.
- Prepare reports and presentations for team meetings and client proposals.
- Engage with mentors and team members to gain diverse perspectives on financial markets and strategies.
- Participate in meetings and contribute ideas to ongoing projects and initiatives.

Qualifications

- Currently enrolled in or recently graduated from a Bachelor's or Master's program in Finance, Economics, Business, or a related field.
- Strong analytical and problem-solving skills.
- Excellent verbal and written communication abilities.
- Proficiency in Microsoft Office Suite, particularly Excel and PowerPoint.
- Demonstrated interest in financial markets and investment strategies.

Job Benefits

- Competitive stipend and potential for future employment opportunities.
- Mentorship from industry experts and networking opportunities with professionals.
- Access to a wide array of learning resources and training programs.
- Exposure to a diverse and inclusive workplace culture that values innovation and collaboration.
- Opportunities to work on meaningful projects that impact the business.

Experience

Ideal candidates will have some prior experience in finance, whether through coursework, previous internships, or relevant extracurricular activities. Experience with data analysis and project management is highly beneficial, although not required.

Skills

- Strong quantitative skills and attention to detail.
- Ability to work independently and as part of a team.
- Adaptability and eagerness to learn in a fast-paced environment.
- Creative thinking and proactive problem-solving approach.
- Ability to manage multiple tasks and meet deadlines.
